## SERVING CLINIC

Platinum Volleyball Solutions and Net Results are hosting a serving clinic on August 23rd from 4:00-5:00. We will focus on preparing athletes for tryouts. We will cover the floater serve, jump serving, position serving, and consistency.

The clinics are held at Net Results and lead by the coaching team of Tony and Julie Vordenbaum. Both Tony and Julie are CAP I Certified and have 20+ years combined coaching experience at the Junior Olympic level, including 11 National tournament appearances.

Please arrive 15 minutes ahead each day to stretch and prepare for the session. The cost for the session is \$25.00. This clinic is for athletes ages 6-14. We will separate athletes according to skill level.

Pre-registration is required. Also, for more information on the coaching staff or other happenings at PVS, visit our website. Online payment and registration are available: <http://www.platinumvolleyball.com>
